FOR IMMEDIATE RELEASE

## Automotive Aftermarket Charitable Foundation set to Host 29th Annual, Golf Outing during Industry Week in Las Vegas.

**Las Vegas, NV** –August 13, 2019 - Once again this year the Automotive Aftermarket Charitable Foundation ([AftermarketCharity.org](http://AftermarketCharity.org)) will be hosting their Annual, All-Industry Golf Outing to kick-off Industry Week in Las Vegas just prior to the start of the AAPEX/SEMA shows. The event will take place at the stunning Spanish Trail Country Club on Monday, November 4th with a “shotgun” start at 8:30am. All proceeds help fund the Foundation’s work as the Industries’ only charitable organization dedicated to helping aftermarket industry workers at their most critical time of need.

Board President Lynn Parker said, “This amazing charity event is what it is today because of the unselfish people of our industry. People like Andy Dudash who is Chairman of our “volunteer” Golf Committee and who leads the volunteer team of Jeff Helfrich, Larry Magee, Rich Scovner, Mike Wilcox and Shane Willis. It is the Foundation’s single largest event of the year. The tournament’s success is because of our supportive Board of Directors and generous sponsors supporting this event and our Foundation for many years; some companies have sponsored since 1959 – 60 years! These companies truly know the meaning of giving back to our industry, an industry that has given us so much.”

Committee Chairman Andy Dudash, stated “The entire committee donates their time and efforts to run this event. The tournament ranks as one, if not the best, and raises over \$500,000 & growing. All is done in order to help those in our industry, that have experienced a catastrophic life event, and have nowhere else to turn for help,”. Dudash went on to say “This would not be possible without our sponsors, many long time and representing the best in our industry; leaders that are setting an example by donating selflessly, their time & money, paying back to an industry that has been good to all of us.

In addition to the golf tournament, the event also includes a continental breakfast and award luncheon just prior to and after the golf outing. There’s also a pre-event reception, held Sunday evening November 3<sup>rd</sup> from 5:30pm to 8:30pm also at the Spanish Trail Country Club. The golf outing and all event sponsorship opportunities are open to all industry participants. If you do not golf, please still consider becoming an event sponsor. ### ***About the Automotive Aftermarket Charitable Foundation (AACF)***

The Automotive Aftermarket Charitable Foundation (AACF) has been helping aftermarket families turn tragedy into triumph since 1959. Like the industry, AACF is driven by passion and devoted to family. It's tough to ask for help, but when someone in the aftermarket family faces profound circumstances, AACF is there when it seems like there's nowhere else to turn. As a nonprofit, this is accomplished through the support of generous donors, awareness partners and dedicated volunteers.
