FOR IMMEDIATE RELEASE

AACF ANNOUNCES NATIONAL TOPGOLF TOURNAMENT

Sacramento, CA – September 21, 2020 – The Automotive Aftermarket Charitable Foundation (AACF) announced today AACF's 1st ever Top Contender National Championship.

AACF President, Lynn Parker said, "Everyone is aware by now that SEMA & AAPEX cancelled their annual shows in Las Vegas, and as a result we had to cancel AACF's largest annual fundraising event at Spanish Trail Country Club. While this is the right thing to do, the board kept looking for ways to safely connect as an industry family, increase awareness for AACF, and raise funds to assist those in need." Parker went on to say, "Today we are excited to announce

AACF's 1st ever Top Contender National Championship – an integrated tournament that allows teams to compete with each other "real-time" in 60 different Topgolf locations throughout North America."

AACF Golf Committee Chairman, Andy Dudash added, "This promises to be a fun way to ensure that AACF can be there for those in our industry who need help."

Teams of 6 players compete against other teams to score points by hitting micro-chipped golf balls at giant dartboard-like targets on an outfield. The more accurate your shot and farther the distance, the more points your team will earn. The **Top Contender** format increases the competitive fun, as teams from all locations will compete real-time, in the same game so we can crown a National Champion at the end of the tournament.

AACF Executive Director, Joel Ayres said, "We believe this event will allow us to have fun and support AACF while meeting state, local, CDC and government restrictions; and will satisfy industry companies' travel and social distancing guidelines."
